School Leadership Move-in Programme

SLMP is a Teaching & Learning (T&L) Leadership Programme for new and potential School Leaders in the Polytechnic sector

SLMP enables School Leaders to enhance their T&L Leadership Capabilities in **three key aspects**

1 Driving Educational Change

To be drivers of change for T&L improvement and innovation

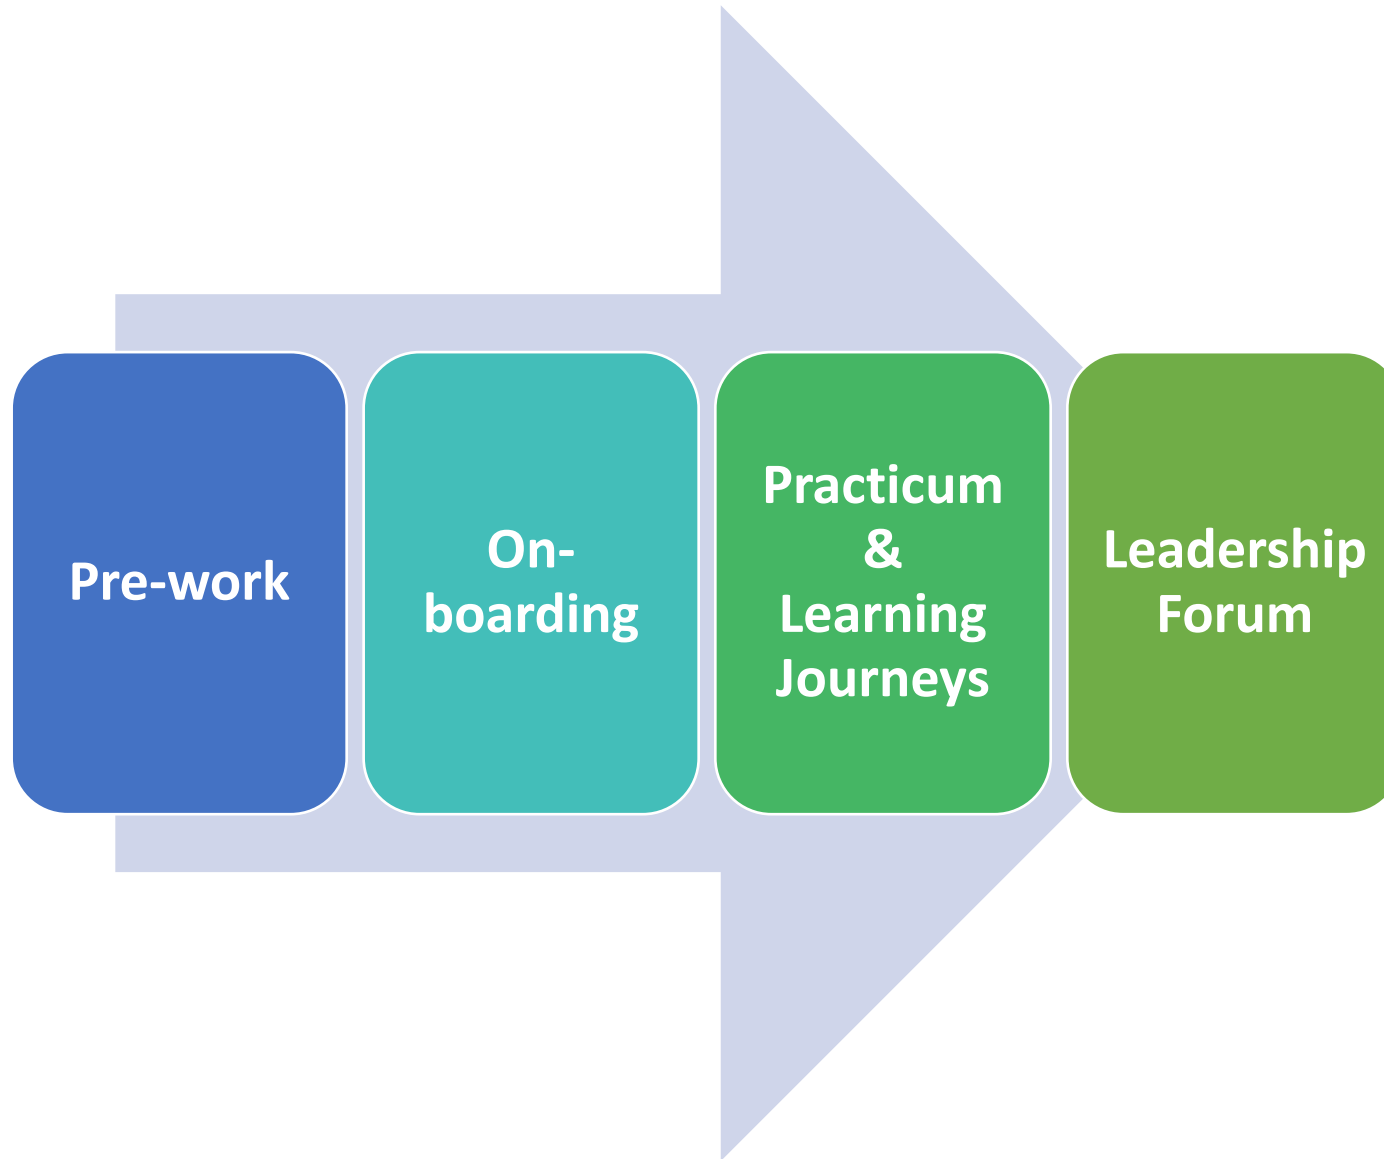

2 Driving T&L Quality

To evaluate and enhance School's T&L quality for alignment with Institution's direction, to achieve institutional goals

To shape a desired T&L culture within the School

3 Shaping T&L Culture

Updated 22Aug2023

Overview of SLMP

SLMP is a 200- hour, year-long programme.

The different stages of the programme are indicated here.

Pre-work

- This prepares participants for the on-boarding programme.
- Participants generate a list of Teaching & Learning Quality Indicators and Practices used in their School/Polytechnic and the purpose of these Indicators and Practices.
- They also share on their proposed SLMP practicum project.

5- Day Onboarding Programme

Workshops

Examples:
Teaching & Learning Quality
Service Mapping Journey
Unlocking Immunity to Change

Learning Journeys

Examples:
ITE Central Campus
IAL (Lifelong Learning Institute)
SUTD

Panel Discussions, Fireside Chats & Forum

By Senior Leaders of Polytechnics - Principal & CEOs, Deputy Principals & Directors

Practicum

Participants are required to work on a practicum project based on 1 of the 3 themes.

- Pedagogical Innovation
- Digitization in Education
- Industry Engagement & Training

At the end of Practicum, participants will do a short sharing of their project.

Learning Journeys

A feature of SLMP is the learning journeys to the various polytechnics. The aim is to provide valuable insights of polytechnics' teaching & learning initiatives.

An example of the venues visited are listed below:

	Hosts	Venues
1	Nanyang Polytechnic	L'Rez (training restaurant); MakerSpace & MakerNode
2	Republic Polytechnic	Customer Experience Labs (comprises of Retail Lab, Customer Relationship Lab, Contact Centre Lab and Ideas Room) ; Supply Chain Innovation Lab
3	Ngee Ann Polytechnic	Dialogue in the Dark; Aerospace Hub
4	Temasek Polytechnic	Centre for Aquaculture & Veterinary Science; TP Advanced Manufacturing Centre.
5	Singapore Polytechnic	Fabrication Lab; Integrated Simulation Centre of Singapore

T&L Leadership Forum

T&L Leadership Forum together with Celebration Dinner marks the finale of SLMP.

This Leadership Forum provides an opportunity for SLMP participants to pitch projects, which affect the polytechnic sector.

The projects focus on the following three-practicum themes of:

Industry Engagement & Training | Pedagogy Innovation | Digitalisation in Education

Based on the level of impact on the polytechnic sector and the viability of the implementation of meaningful solution, panel may recommend one or more project(s) to be escalated for implementation consideration.
